

Education:

- *PhD, civil engineering, transportation planning engineering, Iran University of Science and Technology, 2011*
- *M.Sc., civil engineering, construction engineering and project management, Iran University of Science and Technology, 2006*
- *M.Sc., civil engineering, transportation planning engineering, Iran University of Science and Technology, 2004*
- *B.s. civil engineering, Babol Noushiravani university of technology, 2001*

General Interests:

- *Traffic management & signal setting*
- *ITS, Intelligent transportation system*
- *Traffic assignment & equilibrium*
- *Optimization in transportation and traffic problems*
- *Traffic safety*
- *Value engineering*
